ROADWAY REHABILITATION ON STATE ROUTE 25 IN HOLLISTER UNDERWAY

SAN BENITO COUNTY – A four mile rehabilitation and overlay project on State Route 25 from Willow Creek Bridge to just north of the San Benito River Bridge in the City of Hollister begins today, Caltrans officials have announced.

Roadwork hours are from 7:30 am to 4 pm Mondays through Thursdays and from 6:30 am to 3 pm on Fridays. Motorists will encounter one-way reversing traffic control with flaggers and minimal delays are anticipated. Roadwork is expected to be completed by the end of September.

This project is to relieve pavement distress and extend the service life of this section of roadway.

Granite Construction Company of Watsonville is the contractor for this \$1.2 million project.

Caltrans reminds motorists to move over or slow down when driving through Caltrans work zones.
